# The Voice of Youth Platform

1

## Empowering Youth Voices

Viksit Bharat@2047 provides a platform for the youth to express their innovative ideas, insights, and concerns on various societal issues.

2

## Safe and Inclusive Space

The platform ensures a safe and inclusive environment, encouraging diverse perspectives and promoting dialogue among young leaders from different backgrounds.

3

## Collaborative Opportunities

Youth can collaborate with fellow changemakers, NGOs, and policymakers to design and execute projects that address critical challenges and drive positive change.

**https://innovateindia.mygov.in/viksitbharat2047**

# Opportunities for Youth Participation

## Virtual Idea Challenges

Engage in idea-generation contests to solve pressing societal issues and win exciting opportunities to implement their proposals.

## Prizes for Best Ideas

In each of the 5 thematic areas, 3 prizes will be awarded to the best ideas:

**First Prize: Rs. 5 lakhs**

**Second Prize: Rs. 3 lakhs**

**Third Prize: Rs. 2 lakhs**

# Goals and Vision of Viksit Bharat@2047

## Youth Empowerment

Enabling the youth to become proactive agents of change, empowering them with the skills, knowledge, and resources they need to shape the future.

## Community Development

Fostering community-led initiatives that address social, economic, and environmental challenges, creating a sustainable and inclusive society.

## Innovation and Entrepreneurship

Promoting an ecosystem that nurtures innovation and entrepreneurial spirit, unlocking the potential of young minds to drive economic growth and job creation.

## Civic Engagement and Governance

Encouraging active civic participation among youth, fostering good governance, transparency, and accountability at all levels of administration.

# Join Viksit Bharat@2047

## 1 Seize the Opportunity

Be a catalyst for change and contribute to the development of our nation by joining Viksit Bharat@2047 today.

## 2 Make Your Voice Heard

Get involved in shaping policies and influencing decisions that impact your future and the future of our country.

## 3 Connect with Like-minded Change Makers

Join a vibrant community of passionate individuals united by a common vision to create a better India.

## To achieve the Vision of Viksit Bharat, I commit to work towards one or more of the following:

(Choose one or more)

### 1. Culture and Heritage

- [ ] I will respect all historical monuments and sites which are part of my country's heritage. I will not scribble, deface or encroach upon any monuments or sites.
- [ ] I will spend time and understand our rich cultural traditions and practices related to food, clothing, language, music, dance, arts, crafts, etc.
- [ ] If I go on a holiday with family, I will go to other parts of Bharat.
- [ ] I will be a responsible traveler, respect the environment, and support the local economy during my journeys across Bharat.

### 2. Education and Skilling

- [ ] I commit to promote and support inclusive education and ensure that students of all abilities and backgrounds are welcomed and supported in the learning institutions.
- [ ] I will volunteer my time and skills to educational initiatives, mentorship programmes, and community learning projects and contribute to the betterment of schools.
- [ ] I commit to continuous learning and development throughout my life. I will lead by example by upskilling myself and exploring new skills to remain relevant in the changing world.
- [ ] I will educate myself on digital initiatives and share that knowledge with my community, helping bridge the digital divide for a more connected and informed society.

## 3. Health and Well-being

- ☐ I will promote and practise healthy eating, incorporating millets and locally grown produce in my diet.
- ☐ I will create accessible and safe spaces for discussing mental health and break the stigma around mental health.
- ☐ I will devote time for physical activity and sports every day. I will encourage others also to become healthy and fit.
- ☐ I will learn, participate and promote traditional and regional games.
- ☐ I will work towards leading a stress-free lifestyle by incorporating social connectedness, exercise, nutrition, sleep and mindfulness in my daily schedule.
- ☐ I will abstain from drugs as I understand the risks they pose of harming physical health, emotional well-being, and social relationships.
- ☐ I will participate and support all deaddiction drives.

## 4. Environmental Commitment

- ☐ I will be conscious to environmental concerns and use low/no carbon energy systems.
- ☐ I will use pooled vehicles and public transport for travel wherever possible.
- ☐ I commit to conserve energy and switch off lights, fans, and all other electrical appliances when not in use.
- ☐ I will try to use the stairs instead of elevator, wherever possible.
- ☐ I will repair and reuse products wherever possible rather than use and throw them.
- ☐ I will refrain from littering and spitting in public spaces.
- ☐ I will use water responsibly and judiciously for my everyday needs.
- ☐ I will consume food responsibly and ensure that there is no food wastage.
- ☐ I will use a jute or a cotton bag every time I go shopping and avoid use of plastic.
- ☐ I will participate in tree plantation and afforestation initiatives.

## 5. Social Welfare and Inclusive Society

- ☐ I will respect the elderly and spend quality time with them.
- ☐ I will volunteer with local community organisations to improve my neighbourhood.
- ☐ I will promote gender equality. I will lead by example by respecting them, by opposing derogatory practices like dowry, female infanticide, eve teasing, etc.
- ☐ I will be sensitive to the needs of Divyangjans and work towards their welfare.
- ☐ I will uphold the values of diversity and inclusivity and will work towards eliminating discrimination of any type.
- ☐ I will be a responsible consumer and be 'vocal for local' products and artisans.
- ☐ I will offer my seat to those in need while using public transport such as metro/local train/bus.
- ☐ I will be kind to birds and animals and not harm them.

## 6. Democratic Responsibility

- ☐ I will keep myself informed about current events and participate in public discourse.
- ☐ I will respect the law and uphold the Constitution of India.

## 7. Citizenship Values

- ☐ I will not use government subsidies that I don't need, nor will I expect any freebies meant for the poor and deserving.
- ☐ I will insist on a bill whenever I purchase any item.
- ☐ I will use social media responsibly and contribute productively to online discussions.
- ☐ I will celebrate marriages in my family within Bharat rather than at a foreign destination.
- ☐ I will contribute to a corruption-free Bharat by committing to be ethical in my personal and professional life.
- ☐ I will respect traffic rules and showcase responsible driving habits.

**http://tinyurl.com/VB2047**

# Theme: “Empowered Indians”

**Education:**

- Universal access to quality education, with a focus on skill development and vocational training.
- Emphasis on digital literacy to bridge the urban-rural divide.
- Encouraging a holistic education system that fosters creativity, critical thinking, and problem-solving.

**Health:**

- Establishing a robust and accessible healthcare system, with a focus on preventive care.
- Integrating technology for telemedicine and remote healthcare services.
- Promoting mental health awareness and destigmatizing mental health issues.

- Creating a sports culture by investing in grassroots sports programs.
- Identifying and nurturing young talents across various sports.
- Developing world-class sports infrastructure and hosting international events.

**Nari Shakti (Women's Empowerment):**

- Implementing policies to ensure gender equality in education and the workplace.
- Promoting women entrepreneurship and leadership roles.
- Strengthening laws and support systems to address issues like domestic violence.

**Caring Society:**

- Encouraging volunteerism and community engagement.
- Fostering a culture of empathy and inclusivity.
- Implementing social welfare programs for vulnerable populations.

**Culture:**

- Preserving and promoting India's rich cultural heritage.
- Supporting artists and cultural practitioners.
- Integrating cultural education into the mainstream curriculum.

# Theme: “Thriving and Sustainable Economy”

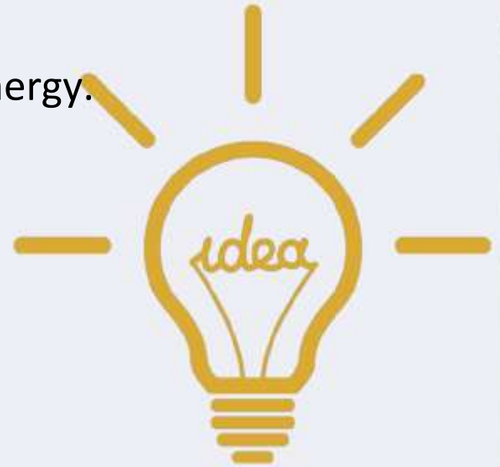
**Agriculture:**
- Implementing sustainable farming practices and precision agriculture.
- Providing farmers with access to technology, market information, and credit.
- Investing in research and development for crop improvement and soil health.

**Industry:**
- Promoting a conducive business environment with simplified regulations.
- Encouraging innovation in manufacturing and promoting 'Make in India'.
- Implementing sustainable industrial practices to reduce environmental impact.

**Services:**
- Fostering a robust service industry with a focus on technology and innovation.
- Developing a skilled workforce for the service sector through education and training.
- Promoting tourism as a significant contributor to the service economy.

**Infrastructure:**
- Investing in critical infrastructure projects, including transportation and logistics.
- Implementing smart city initiatives for sustainable urban development.
- Ensuring reliable and efficient energy infrastructure with a focus on renewable energy.

**Green Economy:**
- Transitioning to a circular economy with reduced waste and increased recycling.
- Incentivizing businesses to adopt eco-friendly practices.
- Investing in research and development for green technologies.



# Theme: “Innovation, Science & Technology”

**Research & Development:**

- Increasing funding for scientific research and development.
- Fostering collaboration between academia, industry, and government.
- Establishing research hubs and centers of excellence.

**Digital:**

- Expanding digital infrastructure and connectivity across the country.
- Promoting digital literacy and skills development.
- Encouraging the adoption of digital technologies in governance, education, and business.

**Startups:**

- Creating a conducive environment for startups through policy reforms.
- Providing financial support and mentorship for emerging entrepreneurs.
- Facilitating collaboration between startups and established industries.

# Theme: “Good Governance and Security”

-Strengthening judicial and legal systems to ensure swift and fair justice.
- Implementing transparent and accountable governance practices.
- Utilizing technology for efficient public service delivery and e-governance.
- Ensuring the safety and security of citizens through advanced policing and intelligence systems.

# Theme: “India in the World”

- Strengthening diplomatic ties and collaborations with other nations.
- Playing an active role in international organizations and forums.
- Contributing to global problem-solving, especially in areas like climate change, public health, and peacekeeping.
- Showcasing India's cultural richness and soft power on the global stage.
